As the financial condition of the mt was assured, the mt Council with a view to have interest resolved to repay the loan immediately + as an additional grant of Rs 4000/- to the last year's budget was sanctioned in May 1912. Deducting this grant & the provision in the last year's budget, a sum of Rs 617/- is still due. From the Comptroller's letter to the Sy Commr / enclosure to the paper under disposal it is seen that no adjustment of the loan has as yet been made. As the year 1911-12 closed, the provision + grant lapsed to the municipality's fund of they Can be adjusted now, it is a point for consideration as to whether the amount of Rs 617/- now stated to be required cannot also be omitted in the accounts of 1911-12, as was done

The Comptroller maybe consulted unofficially as to whether
